

# Tailored Solutions for **AMCs**

Looking for innovative ways to help your clients create learning content, reach new audiences, and boost revenue? Blue Sky eLearn can provide your association management company clients with award-winning eLearning technology and a range of education-focused services, including:

## Learning & Development Support

Enhance educational content by augmenting association staff with our team to fill in the gaps for Education Director, Coordinator, and LMS Administrator roles.

## The Award-Winning Path LMS™

Help your AMC clients deliver eLearning with an easy-to-use, customizable LMS with features built to help associations generate revenue beyond membership.

## Managed Virtual & Hybrid Events

Create powerful webinars, live streams, hybrid events, and virtual conferences. Our team handles all of the technical needs so your clients can focus on their event content.

## FLEXIBLE OPTIONS

We offer flexible agreement options to fit your needs. AMC agreements with Blue Sky eLearn can be structured as:

- Individual contracts for each AMC client
- A master agreement for all your clients
- Reseller agreements

## OFFER FOR NEW AMCI CLIENTS!

New AMC clients can receive **5% off all Path LMS subscription fees and \$1,000 off installation costs!** This offer scales if multiple organizations sign up under the same AMC.

### Leadership Circle PLUS Partner

Blue Sky eLearn is proud to be a member of the AMCI Leadership Circle PLUS and serves on the AMCI Professional Advancement Committee. AMCI uses our Path LMS platform for AMCI Professional Advancement Online.
