

Putting Our Partnership to Work

A partnership with AMC Institute is a partnership with Encore.

Benefits of uniting with Encore:

- **20% discount** on Encore-owned equipment at hotel and meeting venues where Encore is the in-house event production provider.*
- Support from AMC Institute's **single point of contact** with the Global Sales Organization for complex events and production support.
- True **end-to-end solutions** for any event experience including creative services, production support, innovative technology and more.
- Access to **Encore's Call Center (888.204.5976)** for any equipment and service needs.
- Scalability with access to a **network** of distribution centers and off-site support.
- A partner from one event to the next around the **globe**.
