

AMCI BUSINESS EXCHANGE SPECIAL OFFER

A custom member mobile UI, on us.

FREE MEMBER-FIRST MOBILE UPGRADE

For one eligible new association client—configured around the member moments that matter.

Make every member moment easier.

Give members a more useful, branded path to the actions that bring them back: managing membership, completing payments or giving pathways, registering for events, finding resources, and receiving timely communications. The AMCI Member-First Mobile Upgrade turns the modern WunderPass member app into a tailored association experience without creating another disconnected tool.

Proposed offer terms: Available to AMCI member firms for one eligible new association client under a new WunderPass agreement. The complimentary custom member mobile UI is a configuration upgrade within standard WunderPass platform capabilities and includes brand styling, home-screen configuration, navigation, up to six quick actions, and configured pathways for supported membership, payments or giving, events, communications and resources. It excludes net-new native-app engineering, custom integrations, app-store submission work, and features outside the standard platform. Subscription, implementation, migration, transaction and other fees are separately scoped. Offer is not transferable, cannot be combined with other discounts, and is subject to eligibility verification, executed agreement, commercial approval, and published offer terms. Code: AMCI MOBILE.
